Snowmobile Club News

Feb. 2020

A Message from our club... **President**

I hope everyone has been able to get some miles on their sled. The trails have been able to open here locally, but recent weather has not cooperated.

Radar Run: Due to the weather, the Radar Run for 2020 has been cancelled. The board is considering other fundraising opportunities to replace this much needed income. Please stay posted as there will be future communications coming!!

Trail Coordinators: We have some open spots in the trail coordinator positions for our trail system. I know I have heard from a few of you that you are interested... but there are other positions left to fill. We will help teach/train you on who, what when, where and how!!! Find a friend and become co-coordinators, you know you'll enjoy it!

Thank You: I'd like to take this time to thank all the trail coordinators who are considering stepping down. They could use some help and are willing to mentor before they bow out.

Board Positions: At the February and March meetings, we will be taking nominations for board positions. They are one year terms and anyone can be nominated...even by themselves. If you ever wanted to know what goes on deeper within the club... here's your opportunity to learn the inner workings of the club, county and state level.

Let us know how you can help... the trails are counting on you.

Keep the faith - Dan Guck 715-451-0479

2020 Polaris Demo Tour

Feb. 16th (weather permitting)

This is YOUR chance to test drive the 2020 Polaris snowmobile lineup! Polaris will have Rush, Switchback, and Indy XC models in 600, 800 and the new Patriot 850 engine sizes to test drive! Come check out the display area full of new Polaris snow, off-road, and Timbersled products including the new RzR XP1000, Ranger XP 1000, Indy Evo, Timbersled and much more! They will be giving away more than \$1,000 worth of Polaris prizes! If you have any questions, please feel free to contact David Moon, Polaris Ambassador and one of our club board members. For the Facebook event, please [follow this link](#).

The January Meeting Minutes have been posted on our webpage.

**TRAIL
CLOSED**

Due to lack of snow, our trails will remain closed until further notice. Stay tuned!

Thanks to our Trail Boss, Trail Groomers, Trail Coordinators, and numerous volunteers who help with trail maintenance and repairs!

**GET
INVOLVED!**

Dan's President's Message makes reference to making a difference in the sport of snowmobiling by considering a position on the board. Like he said, these are year long terms and currently our board members have all been on board from anywhere from 3 to 10 years already! We need individuals to consider this opportunity so that the club can continue to operate in the future. If you have an interest, but don't really know what's involved in that commitment, please reach out to one of the current board members. They would be happy to answer your questions. We know there are so many talented people out there that have the skills to fill these positions. So; how could you leave your mark? Please consider one of our board positions.

JUST SOME THOUGHTS...

- It takes years to build a reputation but minutes to ruin it... please stay on the trails.
- Don't post things on Social Media that can be used against you or the sport.
- Never get into an argument on Social Media.
- If you don't tell your story someone else will... represent snowmobiling as positively as possible.

JUST SOME FACTS...

- The State of Wisconsin only has 11,000 miles of state highways, but 25,000 miles of snowmobile trails.
- Sawyer Wisconsin is where the snowmobile was born in 1924.
- There was 39,102 trail passes sold February 2019 in Wisconsin.
