

A Message From Our President

Happy Fall everyone! As I sit to write this message, I am watching the first white gold fall from the sky and wishing it was December! As snow will hopefully begin to accumulate this month, so does our schedule of events coming up! Below are a few things to be on the lookout for in the coming months.

Membership renewal: Thank you to all who have renewed so far. This is a big help and makes administration easier. If you haven't renewed yet...please try to do it as soon as you can.

Snowmobile Safety Class: Kellner Knights will be hosting a snowmobile safety class on Saturday, December 5, 2020 (see the flyer below). We have made changes to the classes this year to accommodate state guidelines for COVID-19. If you are interested in signing up for this class, please be sure to read the details!

Rekindle the Spirit Parade: We will again be having a float in the Rekindle the Spirit parade which is set to take place on Wednesday, November 25, 2020, at 5:45 pm. The format this year will look a little different, the parade will be a drive-by parade so we will be parked in the Boys and Girls Club / YMCA parking lot and people will drive by to look at the floats. We will again meet on Tuesday night at Mike and Lori's shop at 5660 Deer Rd. to decorate the float, thank you to Mike and Lori for hosting us again! Look for more information on Facebook and email as we get closer!

This past Saturday, we held our second trail brushing day and we had a great turn out and accomplished our section of trails we needed. Thank you to everyone who showed up to help get this task done! The work is far from done yet, we still have a lot of signs to pound in, if you are able to help with this task please let me know and I will get you in touch with one of our trail coordinators!

Lastly, we are finishing up our sponsorship agreements for this season. I would just like to take a minute and personally thank all of the local businesses that have continued to support our club through all the years and especially this year! It is great to see the support our local businesses have for our sport and our club. I would also like to remind everyone to support these sponsors when you are able, it could be as simple as ordering a takeout meal from a restaurant or getting parts from our local hardware stores, every little bit helps!

Hope to see you at our November club meeting at Chat-R-Box on November 12 at 7 pm!

David Moon - 715-451-1881

We hope you can join us at our next club meeting on Thursday, November 12 at 7 pm. See you there!

LANDOWNER APPRECIATION EVENT

POSTPONED UNTIL SPRING

Unfortunately due to COVID-19, we have postponed this event until spring. We have recently notified all of our landowners about this change through a letter sent to them in the mail. Stay tuned for updates in upcoming newsletters and Facebook posts.

Join or Renew Your Club Membership and ORDER YOUR AWSC TRAIL PASS

Trail passes have been available to purchase since July 1, 2020. We encourage our members to renew their Kellner Knights Club membership by early fall so that you receive your trail pass prior to the opening of the trails. It is preferred you do this on-line through our "Pay on-line option", however, you may print the form and mail it with your check if you prefer. After you join the club, you may then apply for this season's discounted annual Trail Pass through the AWSC. There are link buttons below for all of these options. **PLEASE REMEMBER** that we send all memberships into the AWSC in bunches to save costs. This process takes time so start the process today!

Did you know that the fine for riding without a WI Trail Pass is \$250? We hope you pass the word on to fellow snowmobilers and inform them of the need for trail passes. Encourage them to join a club if they do not belong to one already to qualify for the \$10 discounted pass (non-members will pay \$30 per year for their trail pass.) The discounted Trail Pass receipt will be legal to ride with for 3 weeks from the date of purchase. Just remember that the State of WI will continue to send out the trail passes, not the AWSC.
