

President's Message

As I sit down to write this, we have some white gold on the ground but sadly, not enough to open our trails. It has finally started to cool down some and make some ice and now we just need some snow! Our groomers have been out and rolled all of our trails again to help preserve what we got back in January and with our most recent storms.

Even though we don't have open trails we still have a lot going on in the club! Below are a few things to keep your eye on and we need your help to lend a hand with!

2/11/21 – February Club Meeting at the Ridges. This will be the last meeting before the Radar Run to wrap up any details we need to for the event. We will also have normal monthly club business to conduct, as well as nominations for club officer positions. I hope to see everyone there!

2/13/21 – Annual Radar Run fundraiser. This is one of our biggest fundraisers each year and we are looking forward to it being a great kick-off to 2021! We are still in need of volunteers for this event, this is always a fun day for everyone and certainly a day I look forward to all year! If you are able to help, use the link below and sign up for a time even if you can only help for a couple of hours, every little bit helps!

As I mentioned in the January newsletter, we will again be seeking nominations for our club officer positions. This is a great opportunity to get involved not only in the club but also learn more about snowmobiling at a state level. If you are interested contact me and we can discuss opportunities!

See everyone on February 11th at the Ridges!

UPCOMING RADAR RUN ON FEBRUARY 13

In order to successfully run the Radar Run event, we need many volunteers. **Currently, we need an additional 32 volunteers on Saturday as well as additional volunteers Friday for set-up!** We cannot pull off an event this size without volunteers.

Please check out the volunteer spots that are available. It's easy to sign up, just click the "sign up" button below and then choose the area and time you are willing to help. A gray box will pop up on your screen that you click on to enter your information. call for nominations!

David's President's Message makes reference to making a difference in the sport of snowmobiling by considering a position on the board. These are year-long terms, and currently, most of our board members have all been on the board for several years. We need individuals to consider this opportunity so that the club can continue to operate in the future. If you have an interest but don't really know what's involved in that commitment, please reach out to one of the current board members. They would be happy to answer your questions. We know there are so many talented people out there that have the skills to fill these positions. So, how could you leave your mark? Please consider one of our board positions.
